First Presbyterian Pre-K 2021

Classroom News

Welcome Back!! I hope everyone had a wonderful break!! I was so proud to hear from the other teachers that the children had a great day while I was out for my daughter's surgery!

In March, the children had a wonderful time exploring in the "Farm" center and learning why farming is important to our everyday lives. Dr. Seuss' Birthday and St. Patrick's Day also added some extra exciting activities to our classroom! (Remember to check the First Pres Facebook page for photos!)

Well my friends, we only have one full month of school left! The children have grown so much in their independence, knowledge and social skills this year. It is very typical to see changes in personality/attitude during this time as the children begin to explore boundaries of their independence.

We are looking forward to warm spring weather and some outdoor learning time this month!!

Birthdays/Special Days

*April 8th - Grant

**Please send in recyclable items this month to help supply our creativity space as we celebrate Earth Day, 4/22
